

TRACKCHAIR® TR

MSRP \$19,985

The Trackchair® TR delivers all the power and performance of the ST with the added ability to bring the user into a full standing position - and be driven while standing or sitting. Ideal for those seeking the respiratory, cardiovascular, and digestive benefit of standing, the TR is also a strong fit for users who want to stay active on the land, with animals, or in the shop.

Available in multiple sizes with extensive color, accessory, and modification options, the TR is engineered to be built exactly to your needs.

* Battery range is dependent of many variables including but not limited to weather, terrain, weight of the user, battery age, etc.
 ** Warranty is for parts only. This warranty provides no coverage for personal loss or expense, including mileage, transportation costs, hotels, meals, shipping or handling fees, product pick-up or delivery, replacement rentals, loss of product use, loss of profits, or loss of vacation or personal time. If your Trackchair® requires warranty service, please contact the Trackchair® Dealer in your area.
 ATZ Manufacturing, 1105 Lake Road, Marshall, MN 56258 gives a ONE YEAR LIMITED WARRANTY on all components of your Trackchair® against defects in material or workmanship. Warranty is not transferable to another owner. This Trackchair® limited warranty excludes any failures that are not caused by a defect in material or workmanship. WARRANTY DOES NOT COVER CLAIMS OF DEFECTIVE DESIGN. Warranty also does not cover acts of God, accidental damage, normal wear and tear, abuse, or improper handling. Warranty also does not cover any Trackchair® component, or part that has been altered structurally, modified, neglected, improperly maintained, or purposes other than for which it was designed. Warranty excludes damages or failures caused by external stress, heat, cold or contamination; abuse, accident, fire; operator error or abuse; improper component alignment, tension, adjustment or altitude compensation; snow, water, dirt or other foreign substance ingestion/contamination; improper maintenance; modified components; use of aftermarket or unapproved components, accessories, or attachments; use of unapproved software or calibration; unauthorized repairs; or repairs made after the warranty period expires or by an unauthorized repair center.
