

# TRACKCHAIR® AXIS 30

MSRP \$19,400

The Trackchair® AXIS 30 is built to unlock adventure - its narrow 30 inch frame is designed to take you farther, faster, and bring you home safely. Powered by exclusive 3.4 HP combined PMDC motors, the AXIS 30 delivers enhanced speed and performance. Its streamlined frame reduces rolling resistance, improving range and efficiency. With six independent seat adjustments, the AXIS 30 adapts to you - offering a custom fit and lasting comfort whenever adventure calls.

\* Battery range is dependent of many variables including but not limited to weather, terrain, weight of the user, battery age, etc.  
 \*\* Warranty is for parts only. This warranty provides no coverage for personal loss or expense, including mileage, transportation costs, hotels, meals, shipping or handling fees, product pick-up or delivery, replacement rentals, loss of product use, loss of profits, or loss of vacation or personal time. If your Trackchair® requires warranty service, please contact the Trackchair® Dealer in your area. ATZ Manufacturing, 1105 Lake Road, Marshall, MN 56258 gives a ONE YEAR LIMITED WARRANTY on all components of your Trackchair® against defects in material or workmanship. Warranty is not transferable to another owner. This Trackchair® limited warranty excludes any failures that are not caused by a defect in material or workmanship. WARRANTY DOES NOT COVER CLAIMS OF DEFECTIVE DESIGN. Warranty also does not cover acts of God, accidental damage, normal wear and tear, abuse, or improper handling. Warranty also does not cover any Trackchair® component, or part that has been altered structurally, modified, neglected, improperly maintained, or purposes other than for which it was designed. Warranty excludes damages or failures caused by external stress, heat, cold or contamination; abuse, accident, fire; operator error or abuse; improper component alignment, tension, adjustment or altitude compensation; snow, water, dirt or other foreign substance ingestion/contamination; improper maintenance; modified components; use of aftermarket or unapproved components, accessories, or attachments; use of unapproved software or calibration; unauthorized repairs; or repairs made after the warranty period expires or by an unauthorized repair center.
